INDEX TO VOLUME 113

January 1 to June 24, 1922

EXPLANATORY NOTE

Illustrated articles are denoted by an asterisk (*); abstracts by the letter "a"; editorials by the letter "e"; and news items by the letter "n", as indicated at the foot of every page.

This index is made comprehensive but concise. Pains are taken to bring together matter belonging to the same subject so that when a reader looks up an article he will also be referred to related data. Mines and mining companies mentioned in "News by Mining Districts" have been grouped for convenience under "Mines and Mining Companies."

Following is a list of the pages included in the numbers of the volume by date:

Jan 7	1 to	40
" 14	41 to	80
" 21	81 to	152
" 28	153 to	192
